Delta Dental Medicare Advantage Network

PLEASE NOTE: This is a directory of licensed dentists who have signed contracts to provide professional services under Delta Dental. It is not to be considered a recommendation that a particular dentist be consulted for professional care.

Every effort has been made to prepare this list accurately, but Delta Dental assumes no responsibility for possible mistakes or omissions. The dentists listed in the search results may not participate in our network for each location listed in the results. Therefore, we strongly recommend that you ask your prospective dentist if he or she participates in the Medicare Advantage network at the desired office location where you will be receiving treatment. If you would like to report an inaccuracy, verify a particular dentist's participation status, or ask for this directory in printed form, please contact Delta Dental's customer service department at 1-866-548-0292 (TTY users call 711).

If you have difficulty reading or understanding this information, please contact Delta Dental's customer service department for help. This information can be provided verbally in English, or in your primary language. Written translations may be available in languages other than English and accommodations will be made for the visually impaired.
